*\*with 12 month sanitizer subscription*

### Astreea Safe Gel Sanitizer

We can help you calculate the monthly estimated amount for your organization.

### Astreea Pedal Dispenser

Choose from one of our five models the size that fits your organization's unique needs and experience.

# Astreea Safe Sanitizer

## Made for Quality

- FDA Registered Facility
- 40% less expensive than competitors
- Premium Gel Formula
- 70% Ethyl Alcohol
- Clean Citrus Scent
- Made in the USA
- Cost effective and long lasting solution
- Acts quickly to kill microorganisms on hands

Regular hand sanitizing is one of the most important practices in the fight against viruses and other germs. Astreea Safe was formulated specifically for continuous use.

Gentle but powerful, our premium products eliminate 99.99% of germs while leaving hands feeling soft and clean

## Designed for heavy duty use during these challenging times.

Traditional electronic dispensers are fragile and require constant battery and sanitizer pouch changes.

Astreea was engineered to be durable, dependable, and high-capacity. It's pedal activated and can be refilled with our sanitizer bottles in less than one minute.

## Built to last beyond the pandemic.

Developed by a European aerospace manufacturer, Astreea meets the highest engineering and quality standards.

Each dispenser is precision-crafted from medical-grade stainless steel using state-of-the-art laser cutting machines. After assembly and welding, finishing touches are completed by hand.

We're so confident Astreea will stand the test of time, we back it with a **lifetime warranty**.

## See what makes Astreea so different.

1

Fully mechanical and pedal operated.  
No batteries or maintenance required ever.

2

Easy to refill. Takes less than a minute to refill. Just  
remove the top plate and switch out the bottle.

3

Laser-cut reservoir window provides a convenient way to  
check sanitizer level. Proprietary smart sensor  
available in April 2021 to alert team of levels via mobile LTE.

4

Incredibly durable and weatherproof, making  
it ideal for any indoor or outdoor space.

5

Arrives fully assembled. Remove it from the box  
and use the optional bolt points to secure it to the floor.

6

Optional top-plate signs, along with the body, can be  
customized for branding, sponsorships, and as a  
messaging/marketing platform.
